

Open Planets Foundation

The logo for the Open Planets Foundation features the text "Open Planets Foundation" in a bold, black, sans-serif font. To the right of the text are three overlapping circles in shades of blue, with the largest circle at the top right and two smaller ones overlapping it.

Sustainability

Research

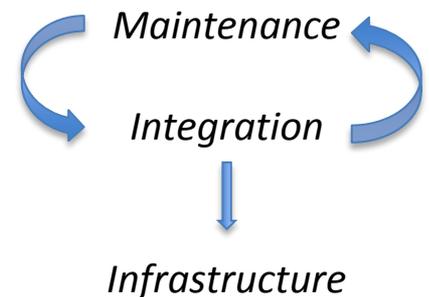

- Software (proofs-of-concept/prototypes)
- White papers and publications
- Use cases and requirements
- Case studies

Development

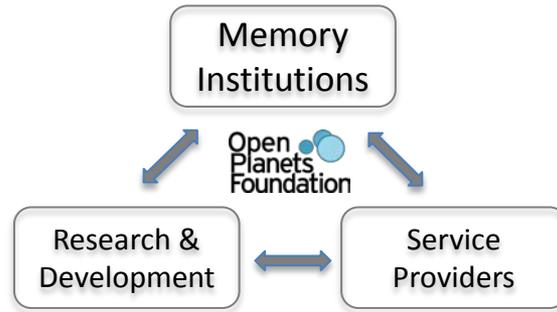

- Software (tools/workflows/systems/apis)
- Educational resources
- Best practices
- Business cases
- Policy analysis

Sustainability

- **Quality**
 - Ensuring that project outputs conform to standards-driven quality assurance
- **Visibility**
 - Providing integrated outreach to multiple audiences to maximise discoverability
- **Training**
 - Enabling skills development to further institutional adoption and capacity building
- **Open licensing**
 - Using open licenses to encourage the adoption and reuse of project outputs
- **Community integration**
 - Integrating project outputs into commercial and non-commercial products and services

#DL2014 Digital Preservation Sustainability on the EU Policy Level

Sustainability

...is working out who pays (and, when)

- Collaboration (share effort)
- Consistency (of experience)
- Consolidation (make efficient)
- Lower barriers (discovery, deployment)

→ TRUST
